## Your Custom Digital Wedding Album Selection Form Incredible Quality & Creativity with New Custom Coffee-Table Books

These new **Custom Albums** are 'truly 'One-of-a-kind' coffee-table style-books that allow couples to have a very contemporary album look that is without question unique, artistic and original. We're talking Bells and Whistles. Pizazz. Impact. Most of all, it's so amazingly simple to create.

You don't need to do anything except choose the images you'd like in your album. It really is that easy. My smashing design team do the rest. Full stop. You'll receive a unique custom-designed printed-and-bound upscale leather coffee-table book in a huge 12"x12", 11"x14" or 10"x15" size.

- Custom album design and unique page layouts
- Rectangular 11x14 and 10x15 or 12x12 Square formats
- Numerous leather colors and cover options

Plus you can select smaller 3"x3", 4"x6", 5"x5" or 5"x7" clones/duplicates of your main wedding album for parents and family to enjoy. Lots of options and upgrades available. See reverse side.

### Your Custom Album Leather Color Choices

Luxurious Eurobond leather is a soft textured material imported from London. It contains a rich look while providing durability and resistance to stains and scuffs. *Please circle your choice below.*

Burgundy      Green      Blue      Linen      Java      Ebony

### Upgrade To An Exotic Leather Color Selection Below

Teal      Ruby      Metallic Smoke      Gator Grey      Caramel      Gator Black

**PLEASE NOTE:** A \$150 additional charge is required for any of the above six Exotic Color options. If selected, please include the extra payment in your method of payment on the reverse side.
